

ETO Sterilisation services for veterinary customers

Andersen Products now offer sterilisation services for veterinary customers who have a requirement to sterilise items that cannot or should not be sterilised in an autoclave. If your true sterilisation requirements are infrequent or small, off-site sterilisation may be your best option. Many of our customers use this service for:

Drills

Harmonic scalpels

Endoscopes

Clippers

Cameras

These are only a few examples of what you can sterilise with ETO. To see a complete list, please visit the **Items suitable for sterilisation with ETO** section from our Website: <http://www.anderseneurope.com>

Advantages for vets

- ✔ If your sterilisation requirements are infrequent or small, off-site sterilisation may be a more economical option.
- ✔ EtO will not blunt sharp instruments, extending their useful life.
- ✔ Collection and return of goods arranged by ourselves.
- ✔ If you are limited to space in your practice.
- ✔ Our services will enable you to offer economic laparoscopic spaying, the equipment used being expensive (even the "autoclavable" ones will be damaged over time).
- ✔ We can also provide packaging for your devices
- ✔ If you do not have access to an outside wall to locate an in-house steriliser.

How does it work ?

If you have instruments that need sterilising, simply call Andersen Products to book them in (we can arrange for a collection or you can use your own courier). The turnaround time is usually **four days** from the moment the items leave your premises till they are returned to you, ready for use. The following chart shows the different steps:

How much does it cost ?

Our fast turnaround service is available for £50.00 per load, up to 60 l, plus carriage cost. In average, the carriage cost amounts to £30. Our strong plastic transportation boxes are provided free of charge (they remain the property of Andersen Products).

£50
per load

Please call us

Please call us if you would like to discuss your sterilisation needs or to arrange a collection. Our phone number is:

01255 428 328

Alternatively, you can e-mail uk@anderseneurope.com. Our hours of business are 8.30am - 5pm Monday to Thursday and 8.30am - 4pm on Fridays.
